The undersigned counsel jointly request this honorable Court to continue, until January 30, 2009, at 9:00 am, the hearing of BNC Mortgage's Amended Motion to Dismiss, currently set for January 16, 2009 am.

Good cause for the requested continuance exists in that BNC's Amended Motion contains substantial arguments not raised in the original motion, and Plaintiff's counsel, who already had a very full schedule over the holiday season, including Early Neutral Evaluation of this action, needs additional time to research those matters, and is not able to complete that research and draft the opposition by the current December 26, 2008 last day to do so.
